headrestVIEWER kit

EAN: 4000444020905

Keep your hands on the Wheel and eyes on the Road when driving with this German engineered iGRIP headrestVIEWER Kit. Your phone will be securely positioned in an upright and easy to view position while driving. No more looking for or holding your phone when navigating traffic!

The headrestVIEWER Kit includes a miniGripper Universal holder and a headrestVIEWER mount.

miniGripper Universal phone holder - holds most devices. Cushioned, retractable side arms hold the device safely and securely. Squeeze sides to secure phone or push button on side to release. Movable foot pegs can be adjusted for charging connections. Holder can also be flipped 180 degrees for changing the position of the side arms. Fits devices up to 7.5 cm wide (2.95 inches). HR's patented 4-prong mounting system attaches the holder to the mount. Easy to use.

The headrestVIEWER Mount fits virtually all headrests and can be installed in minutes.

- **The miniGripper Holder is adjustable and will fit virtually all phones.**
- **headrestVIEWER Mount fits virtually all headrests**
- **Swivel-top design enables the user to quickly adjust viewing angles and switch between portrait and landscape positions.**
